<ul style="list-style-type: none"> Contributed to the webpage making. Mainly did the coding. Did the third topic html code. Submitted for the documentation. 	<ul style="list-style-type: none"> Contributed to the webpage making. Helped with the CSS. Did the second topic html code. Submitted for the documentation. 	<ul style="list-style-type: none"> Contributed to the webpage making. Helped with the CSS. Did the first topic html code. Submitted for the documentation.

Reason Why Our Group Chose This/These Topics:

We all agreed to choose this topic because it informs us to stay alert, open-minded, responsible, and understanding to everyone around us. Despite everyone's differences, this website reminds us to be aware of people's mental health and that we should help them. This website can help too, with the information on cyberbullying and bullying prevention, depression care, and suicide prevention – we can not only reach out to others, but to provide care.

Photos/Proof of Member Contribution:

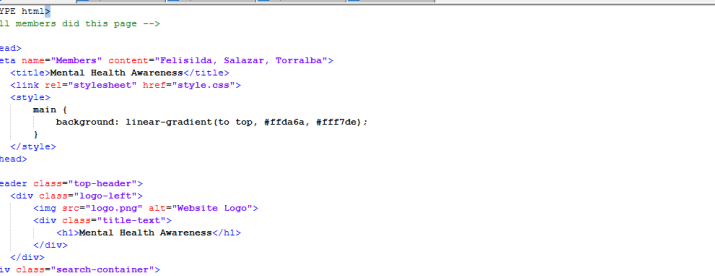

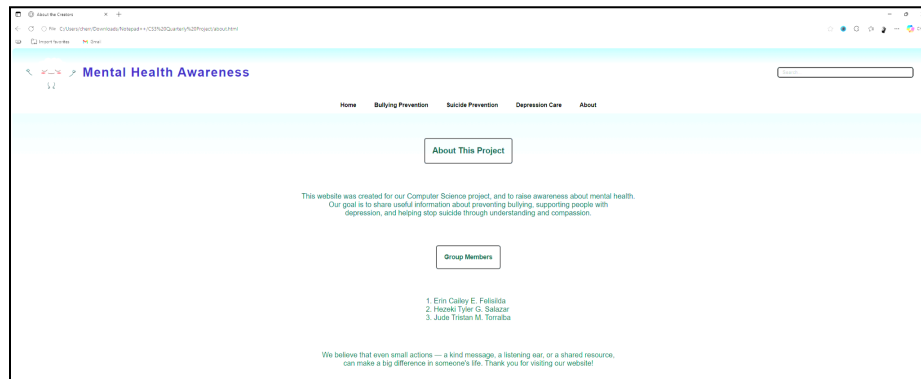

The image shows a web browser window with a code editor open. The code editor displays CSS code for a 'div' element. The browser window shows the 'Page Test Markup Language file' and the 'Page Test Markup Language file'.

```

1  div {
2      background-color: #007bff;
